

# PolyTrac Silver Barcode Labels

The **PolyTrac Silver Label** has unlimited color options, a thin profile, and crisp clear digital printing. It's ideal for projects in a mild to moderate environment like school districts, offices and general business applications.

Not only does adding the .001" thick clear polyester overlamine to the label provide additional protection to the print and barcode, but it also has a polyester base layer that provides tag flexibility and durability.

In addition, there are multiple label sizes and styles to choose from to meet your needs and the label comes standard with a premium acrylic adhesive that will bond securely to almost any item.

Available with or without a barcode, **PolyTrac Silver Labels** are produced using our digital printing process, which – when combined with unlimited color choices, shows off even the most detailed logos, type and artwork.

## Key Product Features

- Digital printing process ensures bar code readability as well as crisp, clean company logos
- .002" thick durable white gloss polyester base layer
- .001" thick clear laminate provides additional protection for text and barcodes
- .001" thick pressure-sensitive adhesive bonds well to a wide variety of surfaces

# PolyTrac Silver Barcode Labels Specifications

**Material:** .002" thick white polyester; with .001" thick clear polyester overlamine.

**Serialization:** Bar code and human-readable equivalent is digitally printed – providing excellent clarity and easy scanning. Code 39 is the standard symbology with a range of 2.7 to 9.4 CPI (characters per inch).

Optional linear and 2D symbologies available.

**Label Copy:** The label copy may include block type, stylized type, logos or other designs.

**Colors:** Standard colors include black, red, yellow, green or blue. Custom spot colors are also available at no additional charge. Due to contrast needed for the bar code scanner, all barcodes are black.

## Standard Sizes:

- 1 ¼" x ½"
- 1 ½" x ¾"
- 1 ¾" x ½"
- 2" x ¾"
- 2" x 1"

**Standard Adhesive:** .001" MC344 Acrylic Adhesive

**Packaging:** Shipped on convenient rolls with scrap matrix removed for ease of removal. Cleaning solution is provided to assist in applying to a clean surface. Cartons are clearly marked to indicate serial numbers of labels.

**Shipment:** 6 work days upon receipt of order and proof approval (if needed).

**To Order:** Order online or Call [1-866-916-5600](tel:1-866-916-5600) and ask for customer service.
